

Remarks

Claims 102-136 are pending with national stage entry of International Application No. PCT/AU2004/001378, now accepted as U.S. Patent Application No. 10/575,432. This Preliminary Amendment amends Claims 108 and 113. Applicants respectfully submit that claims 102-136 as identified in the listing of claims beginning on page 2 of this paper are in condition for allowance. Favorable consideration and allowance of claims 102-136 are therefore respectfully requested.

The entry of amended claims with this Preliminary Amendment find support in International Application No. PCT/AU2004/001378. The amendments do not add new matter and do not reflect a departure therefrom in substance or variation in the disclosure International Application No. PCT/AU2004/001378 filed on 8 October 2004.

No additional fees are believed due with this paper. Should these calculations be in error and an additional fee, other than the issue fee is due, become due, please charge this fee to Deposit Account No. 07-0153.

Please feel free to contact the undersigned at the phone number listed below if there are any questions.
